Ruhr-Universität Bochum (RUB) is one of Germany's leading research universities. The University draws its strengths from both the diversity and the proximity of scientific and engineering disciplines on a single, coherent campus. This highly dynamic setting enables students and researchers to work across traditional boundaries of academic subjects and faculties.

The **Department of Mathematics** at Ruhr-University Bochum, invites applications for the position of a

PROFESSOR FOR NUMERICS (SALARY SCALE W3)

to start as soon as possible.

We are looking for scientists with a sustainable research program, who make significant scholarly contributions to the subject of Numerics, showing great promise to applications, and who are effective teachers and mentors of both undergraduate and graduate students. We are looking for scientists with an internationally visible research profile that complements the existing research expertise of the department and of the interdisciplinary collaborative research expertise at the Ruhr-University Bochum and the University Alliance Ruhr.

Teaching responsibilities will include service teaching duties of the Department of Mathematics.

Positive evaluation as a junior professor or equivalent academic achievement (e.g. Habilitation) and evidence of special aptitude are as much required as the willingness to participate in the self-governing bodies of the RUB.

We expect:
* strong commitment to academic teaching at graduate and undergraduate level;
* readiness to participate in interdisciplinary research;
* willingness and ability to attract external funding;
* readiness to contribute to joint research projects of the department.

The Ruhr-University Bochum is an equal opportunity employer.

Complete applications including CV, copies of academic certificates, lists of publications and research funding, list of self-raised third-party funds, teaching record, and a statement of research interests as well as a concept for gender equality should be sent by E-Mail to the **Dean of the Department of Mathematics, Prof. Dr. Peter Eichelsbacher; mathe-dekanat@rub.de** not later than **October 15th 2017**. Further information can be obtained at our website at **http://www.ruhr-uni-bochum.de/ffm/**.
