The Marien Hospital Herne, University Hospital of the Ruhr University of Bochum, is seeking a university professor (m/f) (with pay grade W3) to fill the position of

**Director (m/f)**

for Anaesthesiology, Operative Intensive Care, Pain and Palliative Medicine

(as a successor for Prof. Dr. med. Christoph Puchstein).

The Director of the Clinic for Anaesthesiology, Operative Intensive Care, Pain and Palliative Medicine will be responsible for the entire fields of research, teaching and healthcare.

The University Clinic for Anaesthesiology provides all the specialist departments at the Marien Hospital Herne with anaesthesia services. Intensive care is an integral part of the clinic.

In the fields of science and research, the director of the clinic will be responsible for the organizational and coordinating management of two further departments for anaesthesia within the clinic group, and especially of the extensive paediatric anaesthesia department of the St. Elisabeth Group. The St. Elisabeth Group has a large range of additional specialist medical fields and major specialist departments. Out of a total of 1,500 beds, 460 operating beds are provided with anaesthesiological services, with anaesthesia being administered more than 35,000 times every year.

The candidate’s scientific and clinical interest should lie in the further development and intensification in the comprehensive anaesthesiological care of geriatric patients (geriatric anaesthesia). One focus should be on neurological monitoring and cognitive functions.

High-level professional and academic qualifications are expected of the future post holder, along with broad experience in the whole specialist field of anaesthetics. The post requires leadership ability along with good interpersonal, organisational and communication skills. In addition, teaching skills and experience and the ability to manage a clinic in a target-oriented and cost-efficient way are essential.

The candidate should be highly committed to the university and clinical sector and be able to work in close cooperation with the other departments of the hospital, further facilities of the St. Elisabeth Gruppe GmbH and participate in the existing research foci and development areas of the medical faculty of the Ruhr University of Bochum, in particular in the main focal area of neurosciences and the development of care research.

A favourably evaluated junior professorship, postdoctoral lecture qualification or equivalent scientific achievements as well as teaching ability are a prerequisite, as well as the willingness to participate in the academic self-administration.

**Further requirements:**

- a high level of commitment to teaching,
- the willingness to participate in interdisciplinary scientific work,
- the willingness and ability to solicit third-party funded research projects,

The appointment will be made on the basis of an employment contract under private law, which includes the liquidation rights (Liq...)

The University Hospital Marien Hospital Herne is part of the St. Elisabeth Gruppe GmbH, Katholische Kliniken Rhein-Ruhr, which, with a total of five hospitals with over 1,500 beds, treats around 90,000 inpatients and 210,000 outpatients every year. As a university hospital, the Department for Anaesthesiology is not only of great importance for the Ruhr University of Bochum, but also of great value to the facilities of the St. Elisabeth Gruppe GmbH, which... in medical research and innovation, medical technology, employee qualification, building and sanitation measures and in additional jobs. More than 4,100 employees are employed within the St. Elisabeth Group.

St. Elisabeth Gruppe GmbH and the Ruhr University of Bochum wish to promote the careers of women in the areas in which they are underrepresented and would therefore welcome applications from women. Applications from suitably qualified disabled applicants and those granted an equivalent status are welcome.

Should you have any further questions, please do not hesitate to contact the Dean of the Medical Faculty of the RUB, Prof. Bufe, Tel. 0234-322 4961 and the Managing Director, Mr Freitag, Tel. 02325-986 2600.
