

Ruhr-Universität Bochum

SFB 558

**„Metall-Substrat-Wechselwirkungen
in der heterogenen Katalyse“**

**Einladung
zum Vortrag von**

**Dr. sci. Irina I. Ivanova
Laboratory of Kinetics and Catalysis,
Department of Chemistry, Moscow State University
(Gast von Prof. Grünert)**

**"Micro- and mesoporous molecular sieve based catalysts
for acid-base and redox reactions"**

Termin:	3.2.2004
Zeit:	11.15 Uhr
Ort:	HNC 5/99

Gäste sind herzlich willkommen.
