Adrian Immenhauser, born 1965 in Alamogordo, New Mexico, USA (Swiss citizen), is Full Professor and Chair for Sediment and Isotope Geology at the Ruhr-University Bochum, Germany. Prior to his present assignment at Bochum, he has been Assistant Professor at Amsterdam, The Netherlands. Adrian has obtained a Ph.D. from Bern University, Switzerland on the topic of sediment/ophiolite/plate tectonics interaction. He has been the President of the Division of Sedimentology, Stratigraphy and Paleontology of the European Geoscience Union (EGU) and is the President of the International Association of Sedimentologists (IAS). He is a member of the ECORD review panel, the German IODP review panel, the ESF review panel, and presently is/or has been editor and associate editor of several journals. He acted as chairperson of the 571th Xiangshan-Science Conference “Building the Future of Sedimentology in China”. He has been/or presently is the supervisor of more than 30 PhD students and post-doctoral researchers and close to 150 B.Sc. and M.Sc. students. Adrian has more than 30 years of experience in sedimentary geology and has worked intensively with colleagues in academia and industry. He is the head and speaker of the international collaborative research initiative DFG FOR 1644 CHARON focusing on carbonate nucleation, precipitation, and diagenesis. He has been the author and co-author of > 100 publication in leading journals listed in the web of science.

EDUCATION

- 1992-1995 Switzerland, University of Bern, Department Geology and Mineralogy, Ph.D. thesis: ‘The Autochthonous Mesozoic Sediment Record on the Masirah Island Ophiolite (Sultanate of Oman). Sedimentology, Stratigraphy, Bathymetry, Structures and Paleo-geographic Implications’, 260 pp, (Supervisors Prof. Tj. Peters, Prof. A. Matter).
- 1988 - 1992 Switzerland, University of Bern, Department Geology and Mineralogy, Diploma thesis. “Geology of the Pichoux Gorge”, 149 pp, (Supervisors Prof. A. Matter, Dr. H. Bläsi).

EXPERIENCE AND EMPLOYMENT HISTORY

- January 2006 Full Professor and Chair for Sediment and Isotope Geology, Department of Geology, Mineralogy and Geophysics, Ruhr-Universität Bochum, Germany.
- 1998 to 2005 Assistant Professor in Sedimentology, Department of Sedimentology and Marine Geology, Faculty of Earth and Life Sciences, Vrije Universiteit, Amsterdam the Netherlands.
- 1996-1997 Post-Doctoral Research Scientist, Department of Sedimentology and Marine Geology, Faculty of Earth and Life Sciences, Vrije Universiteit, Amsterdam the Netherlands.
- 1995 - 1996 Post-Doctoral Research Scientist, Department Geology and Mineralogy, Bern, Switzerland.
- 1992 - 1995 PhD Research Fellow, Department Geology and Mineralogy, Bern, Switzerland.
- 1992 - 1995 Research Assistant, Department Geology and Mineralogy, Bern, Switzerland.

PROFESSIONAL AFFILIATIONS

- Member of IAS (International Association of Sedimentologists)
Member of SEPM (Society for Sedimentary Geology)
Member of GV (Geologische Vereinigung)
Member of EGU (European Geosciences Union)
Member of DGG (German Geological Association)
Member of EAG (European Association of Geochemistry)
Member of EAGE (European Association of Geoscientists and Engineers)
Member of AAPG (American Association of Petroleum Geologists)

“OUTDOOR” ACTIVITIES

- 2017-2020 Member of the professional board of reviewers of ERC
- 2017 Member of the ECORD Evaluation Committee
- 2016 Co-organizer and executive chairperson of the 571th Xiangshan-Science Conference “Building the Future of Sedimentology in China”
- 2014 to present Co-Editor of the IAS open access journal *The Depositional Record*
- 2014-2018 President of the *International Association of Sedimentologists* (IAS)
- 2014-2020 Coordinator and speaker of the international research consortium CHARON Phase I and II (<http://www.ruhr-uni-bochum.de/charon/intern/intern.html>)
- 2008-2012 Member of the Feodor Lynen review panel of the *Alexander von Humboldt Foundation*

2007-2008	Organizer of the 26 th IAS Meeting, Bochum, Germany
2007-2008	Organizer of the SEDIMENT 2008 Meeting of SEPM-CES
2006-2014	Member of the editorial board (associate editor) of <i>Sedimentology</i>
2006-2010	Member of the editorial board of <i>e-earth</i>
2006-2011	Member of the ESF (European Science Foundation) review panel
2005-2007	Member of the EGU (European Geosciences Union) council
2005-2007	President of the Division <i>Sedimentology, Stratigraphy and Paleontology</i> of the EGU
2005-2006	Bureau member of IAS (International Association of Sedimentologists) office
2005-2006	Co-Editor of the journal <i>Sedimentology</i>
2004	Member of the Editorial Board of <i>Sedimentary Geology</i>
2004-2013	Member of the Editorial Board of <i>GeoArabia</i>
2003-2004	Program Committee Member of the EGU 2004 General Assembly
2003-2005	Vice-President of the Division <i>Stratigraphy, Sedimentology and Paleontology</i> of the European Geosciences Union (EGU). Secretary of the subdivision <i>Sedimentology</i> .
2003 to present	Review panel member of the German Research-funding Agency (DFG) for Ocean Drilling Program/Integrated Ocean Drilling Program.
1999 - 2002	Secretary of the Dutch Sedimentological Association

Please refer to the departmental webpage for details on projects and publications.
