ECR Soccer Competition and BBQ
(NC-Fußballturnier)

2nd September 2016

When: 14:30 - 20:00
Where: at the soccer field behind GB.

Drinks and BBQ will be available during and after the tournament.

The competition will be part of our annual Early Career Researcher Summer Party of the cluster of excellence RESOLV.

All scientific and nonscientific groups within RESOLV and/or the Department of Chemistry and Biochemistry are cordially invited to participate.

Games will be played on the half field. A team consists of five field players and a goalkeeper. The mode of the tournament will be announced at short notice before the start. It depends on the number of participating teams.

Important note: Neither shoes with cleats nor hybrid -cleat shoes are allowed! All shoes worn on the field must have more than eight plastic cleats.

Please register until 20th August 2016 by sending a name of your team and a responsible to hendrik.vondracek@rub.de
