

# Colognes Animal Kingdom at Dusk

***Tuesday, 24 June 2008, starting 19:30***

**Cologne Zoo** has more than 500 species from all continents and oceans of the world.

In an area of 2000m<sup>2</sup> a real part of the south-east Asian rainforest is adapted with free-flying birds, flying foxes, reptiles and a great variety of tropical plants.

On our guided Evening tour through the Cologne Zoo (approx. 1,5 hours) you will meet predatory big cats and owls during dusk and experience the humidity and sounds of the jungle in the south-east Asian rainforest when the night falls.
