

Internationale Konferenz »Ari und das Laurion von prähistorischer Zeit bis heute«
International Conference »Ari and the Laurion from Prehistoric to Modern Times«
Διεθνές Συνέδριο »Αρί και η Λαυρεωτική απο την προϊστορική εποχή εως σήμερα«

Donnerstag, 31.10.2019

Arrival of the participants and speakers. Check-in at the Acora Hotel Bochum.

16.00 h: Guided tour through the recently re-opened Deutsches Bergbaumuseum at Bochum (Julia Bull)

Freitag, 01.11.2019

9.00–9.15 h Opening of the conference (S. Brüggerhoff, H. Lohmann, F. Hulek)
 9.15–10.00 h Eleni Andrikou – Eleni Papafloratu – Elena Tselepi, The Pottery Context of the Litharge Items Found at Keratea, Attica
 10.00–10.45 h Olga Kakavogianne – Kerasia Douni – Myrto Georgakopoulou, The Cupellation of Argentiferous Lead in Mesogeia, East Attica, during Prehistoric Times
 10.45–11.15 h Coffee Break
 11.15–12.00 h Andreas Kapetanios: Silent People of a Deafening Land: The Dynamics of the Lavrion Landscape Palimpsest
 12.00–12.45 h Margarita Nazou: The Prehistoric Finds from Mine 3 at Thorikos and their Relationship to the Thorikos Mining Community
 12.45–14.00 h Lunch
 14.00–14.45 h Adonis Photiadis: A New Geological Map of Ari (Anavyssos/Attica)
 14.45–15.30 h Hans Lohmann: A Survey at Ari (Anavyssos/Attica)
 15.30–16.15 h Denis Morin & Serge Delpech: Open Cast and Underground Minings at Ari (Anavyssos/Attica)
 16.15–16.45 h Coffee Break
 16.45–17.15 h Jim Ross: Mineralisation, Supergene Alteration and Geochemistry of the First and Third Contacts at Lavrion
 17.15–18.00 h Panagiotis Voudouris: Analysis of Ores from Mine 3 at Ari (Anavyssos/Attica)
 18.00–18.45 h E. Filippaki: Analytical and Archaeometallurgical Studies at Thorikos: Preliminary Results

Saturday, 02.11.2019

9.00–9.45 h Frank Hulek: The Trial Excavation in the Ergasterion Ari 63
 9.45–10.30 h Sophia Nomicos – Konstantina Tsaimou: Pottery Assemblages from Workshops Excavated by K. Tsaimou at Ari (2005–2008)
 10.30–11.00 h Coffee Break
 11.00–11.45 h Roald Docter: The Cistern No. 1 Workshop at Thorikos
 11.45–12.30 h Markos Vaxevanopoulos: Lavrion Shafts Mapping: A More Detailed Investigation of the Lavrion Stratigraphy
 12.30–14.00 h Lunch
 14.00–14.45 h Sophie Duchène: Ore Mills of Laurion
 14.45–15.30 h Anno Hein: In-situ measurements of Olynthus Millstone Fragments at the Ari-Harvalo Washeries Using Portable Energy Dispersive XTF (pEDXRF)
 15.30–16.00 h Coffee Break
 16.00–17.45 h Hélène Morin-Hamon: Buddling. Flat-bedded Washeries: Ore Process Revisited through XVIth-XIXth Centuries Mining Engineers Archives
 17.45–18.30 h Athanassia Markouli: 19th / 20th Cent. Mining and Metallurgy in Lavrion

Sunday, 03.11.2019

9.00–9.45 h Alexandre Tarantola: Fluid Circulation and Ore Deposition in the Geodynamic Evolution of the Lavrion Area
 9.45–10.30 h Christophe Flament: Fiscal and Administrative Aspects of the Laurion's Mining Leases
 10.30–11.15 h Nikiforos Meimaroglou: Lavrion Hydraulic Mortars and Clay Mortars
 11.15–12.00 h Effie Photos-Jones: The Extractive Pb Industry of Laurion
 12.00–12.30 h Final Discussion

Tagungsort: Institut für Archäologische Wissenschaften / Institut of Archaeological Studies, Ruhr-Universität Bochum, Am Bergbaumuseum 31, 44791 Bochum

Teilnahme frei / Participation free. Gefördert von DFG Deutsche Forschungsgemeinschaft / Supported by German Research Foundation
