

## Please note the following additional important information:

### Talks:

- Each project/sub-project will be represented by an oral presentation reporting activities and progress to date and planning for upcoming activities. If you cannot attend the meeting, please specify the person giving the presentation instead of you **by 15. November**.

### Posters:

- All attendees who are not PIs and whose contents are not represented by a talk should show the plans and status of their SPP-related projects on a poster.
- On the poster, please show below the title, authors and affiliations: photos (with names) of student and PI (and, if applicable, directly involved co-workers). The posters should show in an easily accessible form the overall objectives and scientific questions, specific aims experiments/approaches followed and focus on results. Please make it short and simple: VERY LITTLE text!!! (Please use the templates on SPP 1529 website, A0 upright, width 84.1 cm, height 118.9 cm).
- If you are bringing a poster, please send a brief email to Angelika Ernst **before 15. November**, mentioning that you are bringing a poster, title, authors.

**Directions:** available from SPP website.

**Cancellations:** contact Angelika Ernst, **not possible after 23<sup>rd</sup> November**.

Should you have any questions or problems please email Angelika Ernst (planlj@rub.de).
