funded by German Academic Exchangeservice (DAAD)

**-Letter of Recommendation-**

*(to be completed by a professor, university lecturer or thesis supervisor)*

*Completed by (title/name):*

*Faculty/Department:*

*Position:*

**Recommendation for the awarding of a scholarship by DAAD for the following student:**

Name, First Name:	Student ID:
Subject:	Aimed degree:
Date and Place of Birth	Country of Origin:

Type of scholarship      Studieneinstiegsstipendium/University Entrance Scholarship  
                                    Studienstipendium/Study Grant  
                                    Studienabschlussstipendium/Graduation Grant  
                                    Corona-Sonderstipendium/Corona Special Grant

1. How do you know the applicant? What period of time and what situation, e.g. participation in lectures, supervision of essays etc, do you base your judgement on?

6. Is the applicant involved in social, political, or other activities in addition to his/her studies?

To what extent does the student's commitment show that he/she takes responsibility?

What implications/what potential can be concluded from this for the future?

Comment:

7. Overall assessment of personal and academic suitability for a scholarship.
