Society of America

Plant Biology 2009

July 18-22, 2009 ★ Hawaii Convention Center, Honolulu, Hawaii

Joint Annual Meetings of the American Society of Plant Biologists and the Phycological Society of America

Highlights

Six Major Symposia in 2009

ASPB-CSPP Joint Symposium

Crop Functional Genomics

Jeffrey Bennetzen, *University of Georgia* and Xioaya Chen, *Shanghai Institute of Plant Physiology*

ASPB-PSA Joint Symposium:

Genomics Approaches for Systematics, Energy Metabolism and Acclimation in Algae

Sabeeha Merchant, *UCLA*, and Alison Sherwood, *University of Hawaii*

President's Symposium

Sarah M. Assmann, *Pennsylvania State University*

Darwin's Legacy: Evolution and Plant Biology

Barbara Schaal, *Washington University*

Illuminating Plant Photomorphogenesis

Richard Vierstra, *University of Wisconsin*

Plant Natural Products - Chemical Evolution in Time and Space

Robert Last, *Michigan State University*

Key Dates

Registration & Abstract Submission Open: December 1, 2008

Registration Fees** (Early Bird until April 24, 2009)

Member	\$325
Nonmember	\$495
Post-Doc	\$245
Nonmember Post-Doc	\$365
Graduate Student	\$150
Nonmember Graduate Student	\$245
Undergraduate Student	\$ 50
