COVID-19

LEAFLET FOR VISITORS
TO RUHR-UNIVERSITÄT BOCHUM

DEAR VISITOR,

You have an appointment at Ruhr-Universität Bochum.

In order to keep you and others healthy in times COVID-19, the following rules apply:

- In the following cases you are not allowed to enter any Ruhr-Universität facilities:
  - If you are/have been ill with COVID-19 yourself (until your quarantine has been lifted by the competent health authority)
  - As contact of a person suffering from COVID-19 until the quarantine period ordered by the health authorities has expired
  - In the 14-day period after your return from a trip abroad of several days

- In case of symptoms of a respiratory tract infection (including mild ones) please contact
  - the respective person or department by phone or email in order to make another appointment

- Don't bring any accompanying person/s to your appointment (justified exceptions, e.g. for (severely) handicapped visitors, are possible and must be agreed on in advance)

- Take the direct route to the place of your appointment

- Only use lifts alone (or with the accompanying person, see above)

- Make sure to be on time and to keep a distance of at least 1.5 m to other people while waiting

- Avoid shaking hands

- Take the direct route back when leaving

Thank you for your cooperation!
