

## City of Bonn:

### Local Transport - Bus, Tram, Underground and Suburban Railway

Experience Bonn and the region with its numerous sights – churches, museums, scenery – comfortably by bus and subway. An efficient bus and rail network makes it easy to get around in Bonn.

The Public Transport Company of Bonn (SWB) offers a **special Conference Ticket** to all participants of the conference “Homotopical Group Theory and Topological Algebraic Geometry”, **valid from Monday , 23 June until Friday, 27 June 2008**, to be purchased from the organizers of the conference.

During the period of validity of this ticket you can enjoy free rides on all busses, trams, suburban railways and German Railway (only 2nd class slow train (RE, RB)) all over the Rhine-Sieg transport area (Verkehrsverbund Rhein-Sieg - VRS) up to Cologne. In addition, you can use the airport bus (no. 670) from the main station in Bonn to Cologne/Bonn.

#### **Please remember:**

**All participants of the conference, staying at the Youth hostel of Bonn or the Hotel IBIS, will have to purchase the Conference Ticket, as they will not be able to reach the Institute of Mathematics at the University of Bonn on foot or by car.**

How much does it cost:

Conference Ticket, valid 23.06.-27.06.08

**Euro 11**
